

My dear Sis: - June 8 - 1912
When your card
came I thought I'd not write till Mon.
So as to tell you if Ida came out to
stay over Sun. or not. We have not seen
or heard from her since funeral. I am not
counting on her staying more than a day
or two when she does come. Yes, poor woman
she is all broken up. She will miss "Belle" so.
Mr S. got a pkg. from Mr Taylor's box last
Wed. Just like you to find a way. You'll
get your reward some day but I can't see
how soon. So good of you. My appetite is
better but food does not digest well. I am
gaining a little every day but not very
strong yet. Sit up in chair quite a little
and walk a little but not much as it
uses me up too bad. Stay in bed till af-
ter lunch. Lazy? Oh, my! - Margaret had
on the other day and the excitement about
"dove me up" for the time. Better now.
Mary is keeping up the record. Found
note + picture in pkg. Have no waist for
Margaret. If you should come out will you
bring me to do till I get out? Do not come
just to be of service to me for I am getting
along pretty now if slowly. Glad to see you
but know your hands are full at home.
If nearer would engage all butter with your
pig does not need. Hard to get here. Mrs J.
still with us. (Mr S's vacation begins next
Wed. Am glad. Love - "Pa")
